

Tehama East/Tehama West Community Wildfire Protection Plan Prioritization Worksheet

Planning Unit	Name of Proposed Project	Planning Unit Ranking Number	Comments
Countywide Efforts			
	Roadside Fuel Treatments on County Roads in Western Tehama County's State Responsibility Area	1	
	Fire Hazard Reduction Coordination with PG&E	2	
	Fuel Hazard Reduction Coordination with AT&T	4	
	Development of Sufficient Water Storage, Handling, and Delivery Systems throughout Western and Eastern Tehama County	3	
Cottonwood-Beegum Creeks Planning Unit			
	Project CO-14 Old Man Springs Fuel Break Project/Tedoc Road Tie-In Fuel Break	14	
	Project CO-15 Highway 36W Fuel Break Maintenance and Extension	1	
	Project CO-16 Raney Peak South Maintenance Treatments	4	
	Project CO-17 Ball Road Fuel Break	13	
	Project CO-18 Tedoc/Raney Fuel Break Maintenance Treatments	6	

	Project CO-19 Tedoc Mountain North Shaded Fuel Break	17	
	Project CO-20 Stewart Ranch/Bland Road Shaded Fuel Break	15	
	Project CO-21 Bowman Road Shaded Fuel Break	5	
	Project CO-22 Pattymocus Fuel Break Maintenance	9	
	Project CO-23 R Wild Horse Ranch Fuel Break Maintenance	3	
	Project CO-24 Elkhorn Ridge Fuel Break Maintenance	18	
	Project CO-25 Lake California Drive Road Vegetation Maintenance Treatments	2	
	Project CO-26 Hammer Loop Fuel Break Maintenance – Phase III	8	
	Project CO-27 Pattymocus Butte/Nelson Creek Fuel Break Maintenance	16	
	Project CO-28 Pattymocus East/Fox Street Fuel Break Maintenance	19	
	Project CO-29 Deaton/Mills Fuel Break	11	
	Project CO-30 Quail Ridge Fuel Break Maintenance	7	
	Project CO-31 Benson-Bassler Fuel Break Maintenance	12	

	Project CO-32 Extension of RCDTC Fuel Break Efforts North from Platina to the Whiskeytown National Recreation Area	10	
Reeds Creek Planning Unit			
	Project R-1 Extension of Pine Creek Road to Highway 36W	1	
Elder Creek Planning Unit			
	Project E-10 Elder Creek Assessment	1	
	Project E-11 Rancho Tehama Recommended Improvements		
	<i>Formally Developed Safety Zone at the Rancho Tehama Airport</i>	14	
	<i>Rancho Tehama Community Fire Safe Plans</i>	15	
	<i>Rancho Tehama Water Tanks</i>	12	
	<i>Installation of Piping on 10,000 Gallon Water Tank at Yolo Court</i>	13	
	<i>Reconstruction of Glove Lake Dam and Repair of Adjacent Well and Pump Equipment</i>	9	
	<i>Installation of Pump at the Yuba Road Water Tank</i>	10	
	<i>Repair of Pump and Piping Systems at Beaver Lake</i>	11	

	<i>Assessment of the Boot, Border, and Mule Containments</i>	8	
	<i>Traffic Congestion at Street Intersections</i>	7	
	Extend Rancho Tehama Road west so that that it intersects Lowrey Road, thus providing an alternate route out of the Rancho Tehama Community in the event of a large wildfire or other emergency.	5	
	Construct a new alignment for Stagecoach Road which would allow direct access to Boggs and Champlin Road and thus a southerly escape route out of the community.	6	
	Extend Lariat Loop south so that it intersects with Boggs and Champlin Roads, thus providing yet another route out of the Rancho Tehama area.	2	
	Extend Tulare Road to Gallatin Road, which would provide a second westerly escape route out of the Rancho Tehama community.	3	
	Extend Fawn Lane near the community's southern limit to Boggs and Champlain Roads.	4	

	Replace the Humboldt Bridge in order to assure residents within the most northwest corner of the community have access to Rancho Tehama Road and an escape route out of the community.		Completed
	Project E-12 Tatham Ridge Fuel Break and Thinning	1	
Thomes Creek Planning Unit			
	Project T-8 Whiskey Fuel Treatment Project	1	
	Project T-9 Four Beetles Forest Health and Habitat Improvement Project	2	
	Project T-10 Connection of Patton Mill Fuel Break with Whiskey Fuel Treatment Project	3	
Sacramento River Corridor Planning Unit			
	Project S-6 Surrey Village Fuels Reduction Project	1	
Battle Creek-Manton Planning Unit			
	Project B-17 Stringtown Fuel Break	6	
	Project B-18 Manton Road Fuel Reduction and Community Protection Project	1	
	Project B-19 Manton Area Canal Improvements	3	

	<i>Project B-19a: Boole Ditch Improvements and Vegetation Management</i>	9	
	<i>Project B-19b: Cross-Country Canal Improvements</i>	8	
	<i>Project B-19c: Union Canal Improvements</i>	7	
	<i>Project B-19d: South Inskip Canal/Coleman Canal (Inskip Dam-Coleman Dam Segment)</i>	12	
	<i>Project B-19e: South Battle Creek Canal</i>	13	
	Project B-20 Manton School - Installation of 50,000 Gallon Water Tank	4	
	Project B-21 Battle Creek – Manton Planning Unit - Installation of 10,000-Gallon Water Tanks		
	<i>Project B-21a Rock Creek Road at Jack Tom Road</i>	17	
	<i>Project B-21b Forward Road at Ponderosa Way</i>	15	
	<i>Project B-21c Hazen Road at Rolling Hills Road</i>	14	
	<i>Project B-21d Manton Road at Lanes Valley Road</i>	16	
	<i>Project B-21e Lanes Valley Road at Inskip Road</i>	18	
	<i>Project B-21f Lanes Valley Road at Moulton Loop</i>	11	

	<i>Project B-21g Spring Branch Road at Manton Road</i>	10	
	<i>Project B-21h Spring Branch Road at Jelly's Ferry Road</i>	19	
	<i>Project B-21i Lassen Lodge and Highway 36E (2 tanks)</i>	20	
	Project B-22 Formal Establishment of Fire Safety Zones	2	
	Project B-23 Expansion of Manton Wild land Urban Interface Area	5	
Paynes-Antelope-Hwy 36E Corridor Planning Unit			
	Project P-21 Proposed Fuel Reduction Zone between State Managed Tehama Wildlife Area Lands and Federal Lands Managed by the Lassen National Forest	8	
	Project P-22 Tehama Wildlife Area Vegetation Management	21	
	Project P-23 Paynes Creek Fuels Reduction and Shaded Fuel Break	4	
	Project P-24 Collaboration with CalTrans and PG&E	20	
	Project P-25 Paynes Creek School Shaded Fuel Break	6	
	Project P-26 Howell Ridge Fuels Reduction	1	

	Project P-27 Ponderosa Sky Ranch Airport Fuels Reduction, Maintenance, and Extension	3	
	Project P-28 Ponderosa Sky Ranch and Lyman Springs - Power Line Right-Of-Way Maintenance	5	
	Project P-29 Rim Fire Timber Harvest Plan Defensible Fuel Profile Zone	12	
	Project P-30 Knass Spring Improvements	11	
	Project P-31 Yellowjacket Road-Tamarack Road Shaded Fuel Break	13	
	Project P-32 Paynes Creek School – Water Tank	17	
	Project P-33 Lyonsville/Lyman Springs – Water Tank	22	
	Project P-34 Dye Creek Preserve Water Tank	14	
	Project P-35 Boondocks - Pond Improvements	7	
	Project P-36 Dales - Water Tank	23	
	Project P-37 Installation of Water Tanks throughout Planning Unit	2	
	<i>Project P-37a Intersection of Plum Creek Road and Hogsback Road,</i>	9	

	<i>Project P-37b Intersection of Plum Creek Road and Ponderosa Way, and</i>	10	
	<i>Project P-37c Intersection of Highway 36 and Lanes Valley Road.</i>	15	
	Project P-38 Ponderosa Sky Ranch - Water Tank Retrofit	16	
	Project P-39 Mud Springs - Water Tank Improvements	24	
	Project P-40 Construction of Secondary Access Road from Ponderosa Way to Highway 36E	25	
	Project P-41 Power Line Access Improvements within the Dye Creek Preserve	26	
	Project P-42 Tramway Road Fuel Break	18	
	Project P-43 TGU-Ponderosa Sky Ranch Piney Fuels Reduction	19	
Central-Cohasset Planning Unit			
	Project CE-9 Collins Pine Company Childs Meadows/Guernsey Creek Restoration/Shaded Fuel Break	1	
	Project CE-10 Improvements to Existing Ponds and Lakes	3	
	Project CE-11 Los Mochis Mutual Water Company Canal	2
